Reliable Roofing Solutions for
Homes and Business

@NIROOF

ABOUT THE COMPANY

At **NORTHEAST**, we provide dependable roofing solutions tailored for both **commercial and residential needs**.

With a commitment to customer safety and satisfaction, we deliver **top-tier roofing installations and repairs** that combine efficiency and high-quality standards.

Our team of seasoned professionals brings extensive experience and the latest industry practices to **ensure your property remains protected and resilient under any conditions**.

OUR VALUES

Our values are the foundation of our work

| Safety

We prioritize safety in every project, adhering to the highest industry standards to protect our clients and employees alike.

| Loyalty

We value and nurture the trust our clients place in us, aiming to build long-lasting partnerships through consistent, high-quality results.

| Truth

Transparency and honesty are at the heart of our service; we communicate openly and fairly with our clients throughout every phase.

| Responsibility

From project start to completion, we hold ourselves accountable, ensuring each task is completed to perfection.

THE FACES OF NORTHEAST

"At NorthEast, our mission is to provide exceptional roofing solutions with precision and reliability. We take pride in serving Greater Boston with a skilled team dedicated to quality and customer satisfaction." – Silvio Rodrigues | Founder & Director

"At NorthEast, we are committed to excellence and making a lasting impact. Our team's dedication to quality, reliability, and collaboration drives us to build stronger, safer communities." – Byanka | CEO

"At NorthEast, our goal is to deliver top-tier roofing services with unwavering precision and dependability. We are committed to serving the Greater Boston area with a team of experts who prioritize quality, professionalism, and exceeding client expectations." – John Mahoney | Director

PROJECT DETAILS

This project, completed in 2020, showcases our expertise in roofing solutions for large-scale properties. Spanning **110,000 square feet**, we installed a **Sarnafil White PVC** roof, known for its durability, energy efficiency, and superior weather resistance. This project highlights our commitment to delivering high-quality materials and exceptional workmanship.

ABOUT THE CLIENT

Franklin[®]

A family-owned, global sporting goods brand, since 1946. Franklin has a powerful range of products and marketing partnerships with professional athletes and high caliber brands such as MLB, NFL, NHL, NBA, NCAA, MLS.

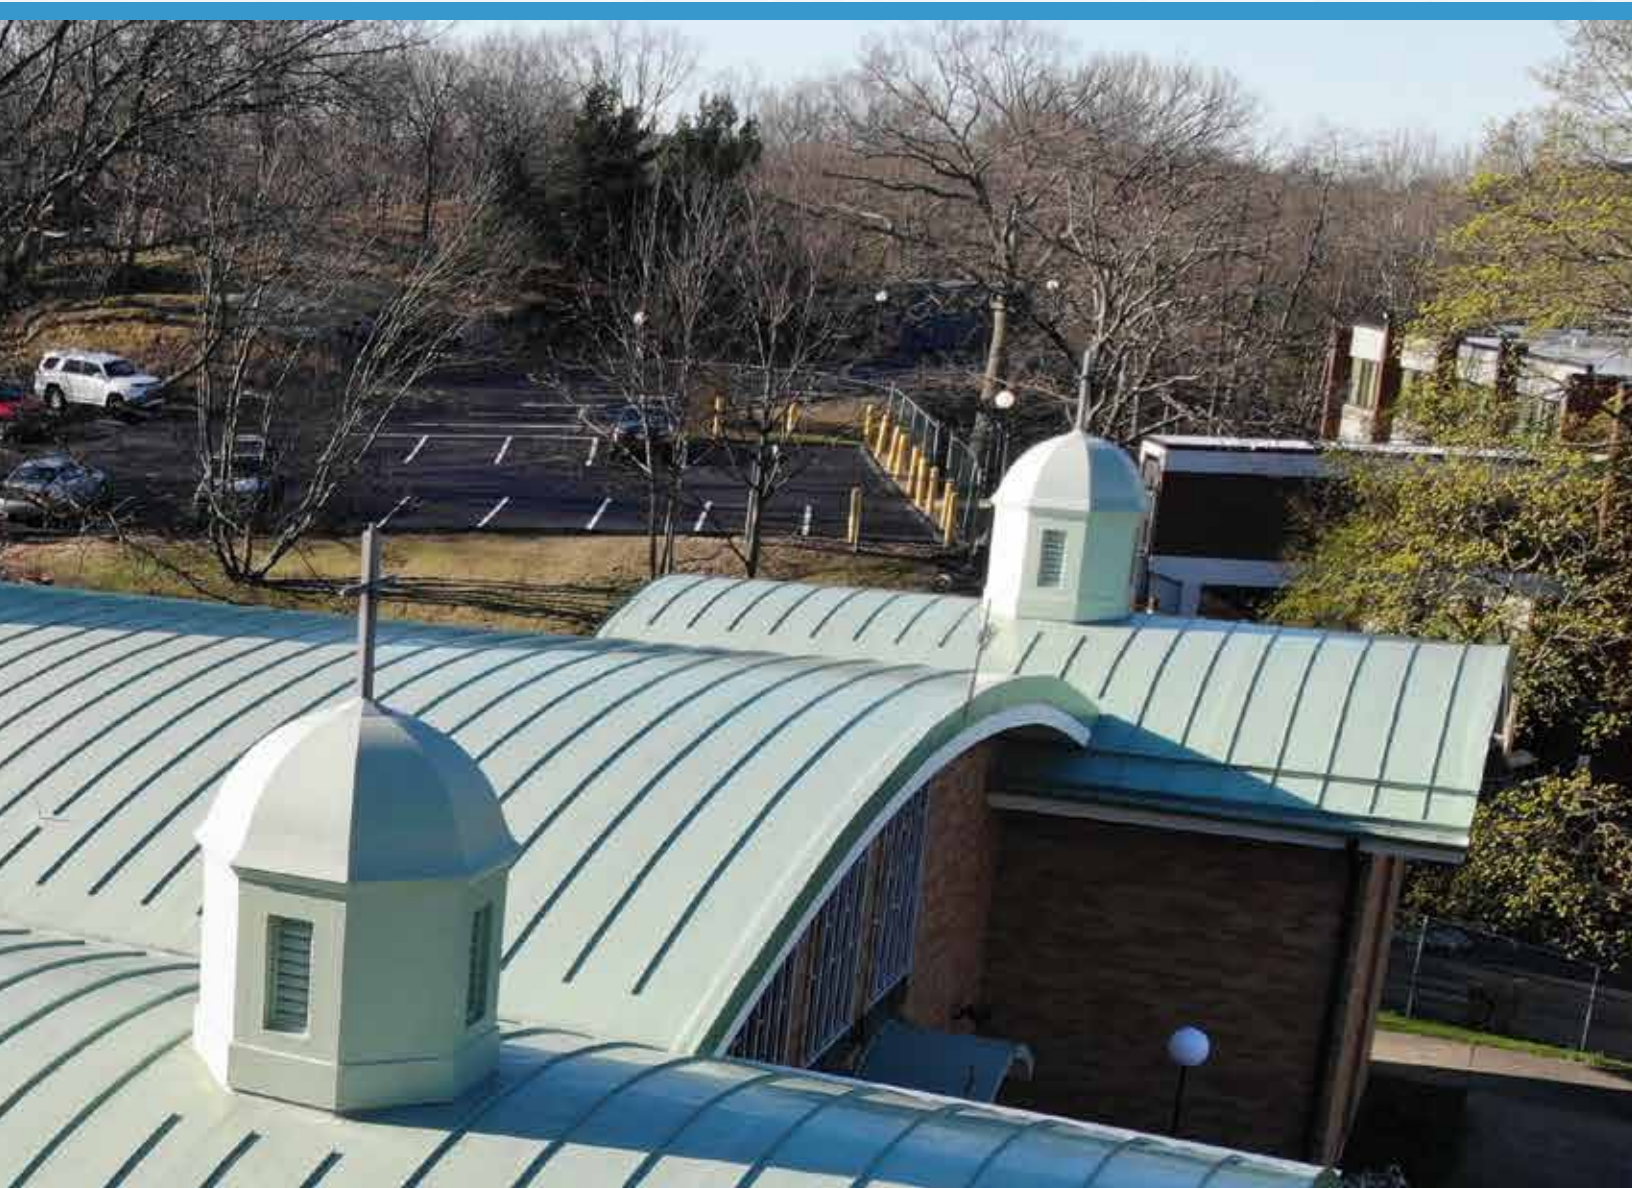

PROJECT DETAILS

Completed in April 2019, this project involved a 7,500 square-foot Sarnafil Patina Green PVC roof. Known for its aesthetic appeal and high performance, this roofing system highlights our commitment to delivering both functionality and style in every project.

ABOUT THE CLIENT

The Christ The King Church in Jamaica Plain, MA, is a vibrant community space that blends tradition and modernity. Known for its welcoming atmosphere and active involvement in local initiatives, the church serves as a cornerstone for spiritual growth and cultural connection within the Jamaica Plain neighborhood.

PROJECT DETAILS

Completed in 2024, this project features the installation of a GAF White TPO roof, covering an impressive **430,000 square feet**. Renowned for its energy efficiency and durability, this roofing solution reflects our dedication to tackling large-scale projects with precision and excellence.

ABOUT THE CLIENT

ARCO specializes in design/build construction for industrial projects, delivering tailored, cost-effective solutions. With a hands-on approach, they ensure precision and exceed expectations, no matter the scale or complexity.

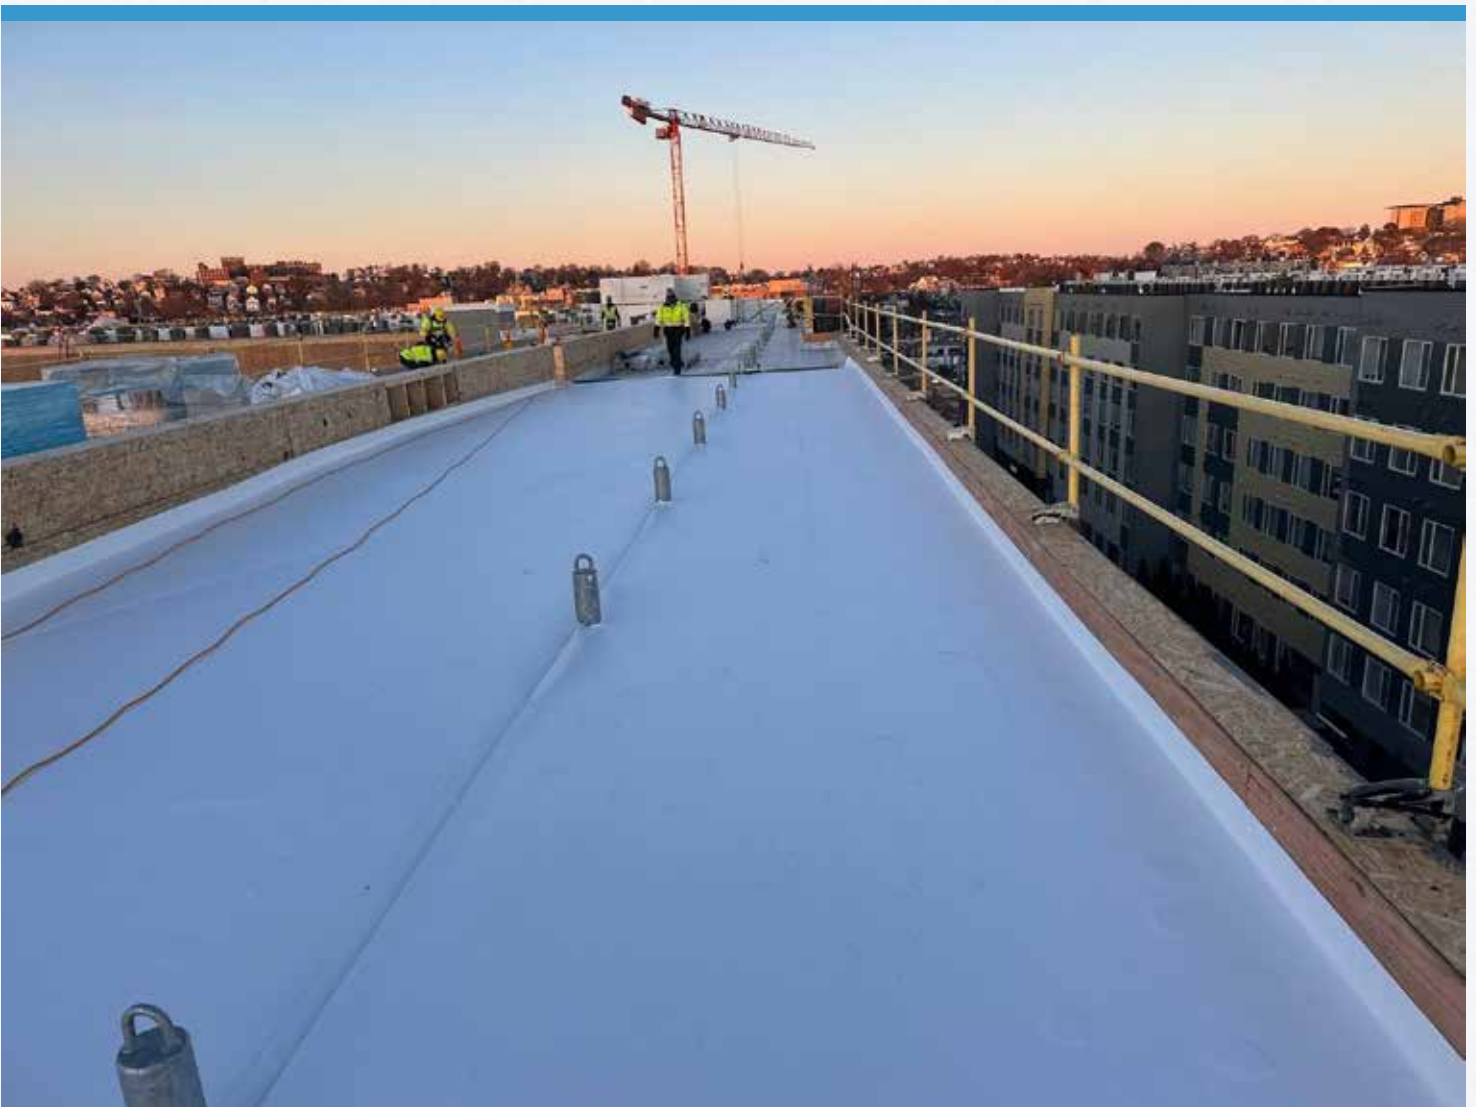

1943 DOT AVE

Completed in 2019, the 1943 Dot Ave project in Boston features a 12,000 square-foot fully adhered EPDM roofing system, providing durable, long-lasting protection. This five-story, 64-unit apartment complex with commercial space blends traditional neighborhood character with modern, transit-oriented living, demonstrating our expertise in both reliable roofing and innovative urban development.

85 BOSTON ST.

Greystar has started the second phase of its 85 Boston St. development, The Maxwell, which will feature 355 market-rate apartments, 29 affordable units, and retail space. Set for completion in 2025, it will contribute to transforming Everett's Commercial Triangle into a vibrant, pedestrian-friendly neighborhood with modern amenities. The Maxwell, along with the first phase Mason, will bring 705 total units, enhancing the area's growth and connectivity.

EMERGENCY ROOFING SERVICES

24 hours a day | 7 days a week | 365 days a year

Water leaks can happen at any moment and cause a tremendous amount of damage in a very short period of time.

That's why our roofing experts are ready **always** to get the job done!

STANDING SEAM METAL COLOR: MATTE BLACK

A Standing Seam Metal Roof is a top choice for homes, offering modern style and unmatched durability. Its interlocking panels provide superior protection against leaks and harsh weather. Resistant to wind, fire, and corrosion, it's energy-efficient and long-lasting, making it a smart, sustainable option for any residence.

SHINGLE ROOF

Shingle roofs are a popular choice for homes, offering a classic look with excellent durability. Easy to install and maintain, they provide reliable protection against weather while being cost-effective. With a variety of colors and styles, shingles are a versatile option that adds value and charm to any residence.

OUR PARTNERS

Industry-leading commercial and residential roofing products & coatings. Our highly trained team of experts works with the most trusted roofing products in the industry. We partner with the most respected roofing manufacturers to bring state-of-the-art materials to your project and offer full manufacturer's warranties for your protection and peace of mind.
