

Atlantic Restoration Corporation

is a full service waterproofing and building restoration company. A.R.C is solution oriented, cost conscious and our dedication to customer satisfaction is unmatched.

We understand that keeping a project on schedule and on budget is just as important as having the highest quality of work in the final product. While fully comprehending the individual needs of each project, we take a unique approach to our construction process. Every job begins with careful planning and is executed flawlessly, leaving owners with the end result they expect: Excellence.
