TESTIMONIALS

Boost Fitness-Hudson, MA

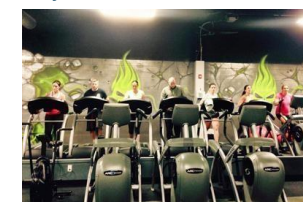

'From ordering the equipment, delivery and set up, Fitness Brokers USA made outfitting our new club easy. We were able to purchase brand new equipment at a fraction of the cost of brand-name manufacturers. Great customer service throughout the entire process.'

Mark Federico, Owner

Iron House Gym-Old Saybrook, CT

'This was my first business venture, I've been in a gym my whole life but building one was a bit different. Long story short, I was referred to Joe Gulino of Fitness

Brokers USA. I met with him a week later in his warehouse and 3 weeks later I had an entire gym ordered. They made it easy and

saved me thousands of dollars. Their service was also impeccable. I'll be needing them again for Iron House II.'

Joe Fay, Co-Owner

SID LEAVITT

'These folks are the real deal. I visited their headquarters in Foxborough, MA and saw the scores of machines they were reconditioning. Their technicians know the equipment and go through it thoroughly. I bought a Life Fitness 91xi Elliptical Trainer for about one-third the original retail price, and it runs as smoothly as any I have used at my local gym. Actually, it's better than most of those machines, cleaner, too. They delivered the machine to my home in New York four days earlier than the deadline we agreed on. Thank you, Fitness Brokers USA.'
