

Timberline®
America's #1-Selling Shingles

When you choose Timberline® shingles for your HOA or multi-family property, you choose the shingle that elevates your community.

We protect what matters most™

It's the shingle that gives you peace of mind

As North America's #1-selling shingle brand, GAF Timberline® shingles offer a combination of beauty and benefits — engineered by industry-leading innovation and backed by industry-leading workmanship warranties. GAF offers a full line of shingles and accessories that elevate the properties in your community while meeting all your standards and requirements.

Learn more at gaf.com/Timberline

It's the shingle that creates breathtaking looks

As the top-selling shingle brand from North America's leading shingle manufacturer, Timberline® shingles raise the bar in the residential roofing industry in terms of aesthetics. Whether it's the patented High Definition® shadow bands of Timberline HDZ® or the ultra-premium Dual Shadow Line of Timberline UHDZ®, our signature aesthetics will transform your properties.

It's the shingle that resists algae staining

Specially engineered time-release algae-fighting capsules release copper steadily over time for long-lasting algae-fighting power, which unlocks our 25-year StainGuard Plus™ and 30-year StainGuard Plus PRO™ Algae Protection Limited Warranty against blue-green algae discoloration.¹

¹ Only products sold in packages bearing the UL2218 Class 4 PRI Validation Program statement are rated for Class 4 impact resistance. Testing performed under controlled laboratory conditions by Certerra Analytical - PRI. GAF makes no express or implied warranty about the impact performance of these products against hail. Hail damage is not covered under the limited warranty. See *GAF Shingle and Accessory Limited Warranty* available at gaf.com/warranties for complete coverage and restrictions.

It's the shingle that stands up to wind damage

When installed with the required combination of four qualifying GAF accessories, Timberline® shingles qualify for our WindProven™ Limited Wind Warranty,² the industry's first wind warranty with infinite wind speed protection.

² 15-year WindProven™ Limited Wind Warranty on GAF shingles with LayerLock® Technology requires the use of GAF starter strips, roof deck protection, ridge cap shingles, and leak barrier or attic ventilation. See *GAF Roofing System Limited Warranty* for complete coverage and restrictions. Visit gaf.com/LRS for qualifying GAF products. For installations not eligible for the WindProven™ Limited Wind Warranty, see *GAF Shingle & Accessory Limited Warranty* for complete coverage and restrictions.

It's the shingle designed to endure impacts

- Timberline® AS II shingles qualify for UL 2218 Class 4 impact resistance³ and comply with certain FORTIFIED Roof™ requirements.
- Made with our proprietary SBS-modified asphalt for excellent flexibility, durability, and increased impact resistance.

³ UL 2218 Impact-Resistance Test performed under controlled laboratory conditions. GAF makes no express or implied warranty about the impact performance of this product against hail. Hail damage is not covered under the limited warranty.

It's the shingle enhanced at the core

- Achieves a UL 2218 Class 4 impact-resistance rating⁴
- Featured on Timberline UHDZ® Shingles and TimberTex® Ridge Cap Shingles.

⁴ Only Timberline UHDZ® Shingles sold in packages bearing the UltraMat™ high-performance mat logo and UL 2218 Class 4 Classification statement are rated for Class 4 impact resistance. UL 2218 Class 4 Impact-Resistance Test performed by Certerra Analytical - PRI under controlled laboratory conditions. GAF makes no express or implied warranty about the impact performance of this product against hail. Hail damage is not covered under the limited warranty.

Choose a system built to protect

Much more than high-quality shingles, the GAF residential roofing system has multiple layers that work together to provide durable, weather-resistant protection.

Install any GAF Lifetime[†] shingle and any 3 qualifying GAF accessories and get a Lifetime[†] Limited Warranty on your qualifying GAF products plus non-prorated coverage for the first 10 years.

For even stronger coverage, ask your GAF factory-certified contractor¹ about enhanced GAF warranties.

Visit gaf.com/LRS for a list of qualifying products.

Rooftop Accessories

Specialty accessories engineered to help keep the system dry, strong, and looking its best

[†] Lifetime refers to the length of warranty coverage provided and means as long as the original individual owner(s) of a single-family detached residence [or eligible second owner(s)] owns the property where the qualifying GAF products are installed. For other owners/structures, Lifetime coverage is not applicable. Lifetime coverage on shingles requires the use of GAF Lifetime shingles only. See the *GAF Shingle & Accessory Limited Warranty* for complete coverage and restrictions. Visit gaf.com/LRS for qualifying GAF products. Lifetime coverage on shingles and accessories requires the use of any GAF Lifetime shingle and at least 3 qualifying GAF accessories. See the *GAF Roofing System Limited Warranty* for complete coverage and restrictions. For installations not eligible for the *GAF Roofing System Limited Warranty*, see the *GAF Shingle & Accessory Limited Warranty*. Visit gaf.com/LRS for qualifying GAF products.

Ridge Cap Shingles

Helps defend against leaks at the hips and ridges

Attic Ventilation

Helps reduce attic moisture and heat

Lifetime⁺ Shingles

Helps beautify and protect for years to come

Starter Strip Shingles

Helps guard against shingle blow-offs

Roof Deck Protection

Helps shield the roof deck from moisture infiltration

Leak Barrier

Helps prevent leaks caused by wind-driven rain and ice dams

¹ Contractors enrolled in GAF certification programs are not employees or agents of GAF, and GAF does not control or otherwise supervise these independent businesses. Contractors may receive benefits, such as loyalty rewards points and discounts on marketing tools from GAF for participating in the program and offering GAF enhanced warranties, which require the use of a minimum amount of GAF products. Your dealings with a Contractor, and any services they provide to you, are subject to the *Contractor Terms of Use*. Visit gaf.com/gaf-contractor-terms-of-use for details.

It's the company that meets any roofing challenge

As the world's largest roofing manufacturer, GAF offers advanced solutions for all types of structures found in HOA and multi-family communities, in addition to residential (steep-slope) roofs. That includes buildings that also have flat (low-slope) roofs. For those structures, GAF manufactures roll-roofing, single-ply membranes, liquid-applied roofing, and much more.

¹ GAF accessory products covered under this limited warranty include: GAF ridge cap shingles, GAF starter strip shingles, GAF leak barrier products, GAF roof deck protection products, and GAF attic ventilation products. For a complete list of qualifying GAF products visit gaf.com/LRS. This limited warranty does not cover low-slope membranes. See gaf.com for a copy of the limited warranties covering those products.

² Contractors enrolled in GAF certification programs are not employees or agents of GAF, and GAF does not control or otherwise supervise these independent businesses. Contractors may receive benefits, such as loyalty rewards points and discounts on marketing tools from GAF for participating in the program and offering GAF enhanced warranties, which require the use of a minimum amount of GAF products. Your dealings with a Contractor, and any services they provide to you, are subject to the Contractor Terms of Use. Visit gaf.com/gaf-contractor-terms-of-use for details.

³ Smart Choice® Protection Period: refers to the crucial period of time following installation of the GAF products during which the coverage provided for in this limited warranty is non-prorated. After the Smart Choice® Protection Period specified above, the remedy provided for in this warranty may be different than that provided for during the Smart Choice® Protection Period, and any remedy will be reduced to reflect the use you have received from your GAF products. The amount of use will be calculated by dividing the number of months which have elapsed since installation to the date of claim by the number of months in the warranty term.

⁴ Special Installation: Your GAF LayerLock®-labeled shingles will be covered up to the maximum wind speed above ONLY if installed using 4 nails per shingle and you have GAF starter strip products installed at the eaves and rakes. Special Installation for all other GAF shingles requires use of 6 nails per shingle and GAF starter strip products installed at the eaves and rakes. Your GAF ridge cap shingles will be covered up to the maximum wind speed above ONLY if your ridge cap shingles are installed in strict accordance with the "Maximum Wind Speed Coverage Under Limited Warranty" section of the applicable ridge cap shingle application instructions. For installations not eligible for the WindProven™ Limited Wind Warranty, Maximum Wind Speed Coverage is 130mph with Special Installation or 110mph without Special Installation.

⁵ Requires installation of LayerLock®-labeled shingles (4 nails per shingle) + at least 4 qualifying accessory products, including starter strip shingles (eaves & rakes), ridge cap shingles, roof deck protection, and choice of attic ventilation or leak barrier. See gaf.com/layerlock for qualifying GAF products.
