pool entry

1.
# Set up a new community.

Provide details about your pool passes.

Provide information about seasonal passes and guest passes, set up price, and upload your community pool rules in the PDF format.

2.
Share a pass application link with your residents.

Your residents apply online for their pool passes.

Email a link to all your residents where they can apply for their pool passes. You can also import your residents list from an Excel or Google spreadsheet.
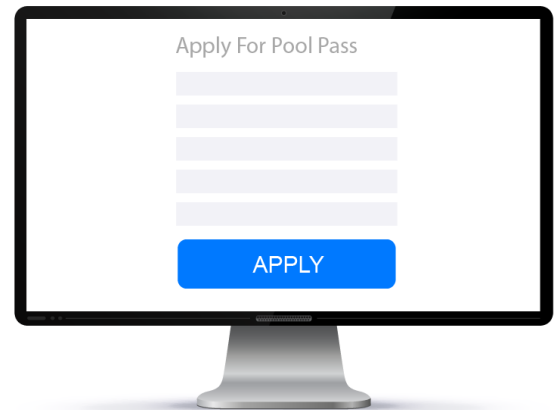

3.
Approve pool pass applications.

Approve pending applications by the click of a button.

An automated email will be sent to the resident with instructions on how to download their passes.
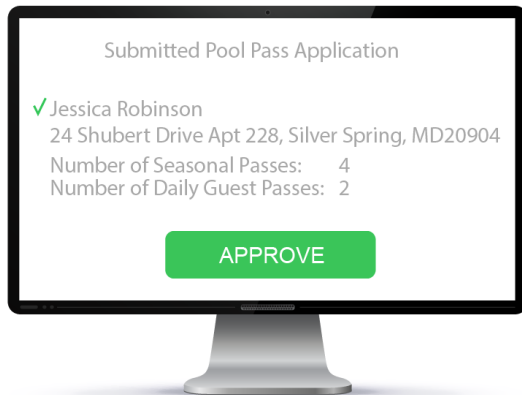

4.
Residents download pool passes onto their mobile phone.

A free mobile app is available on Apple App Store and Google Play Store

Residents download and activate their pool passes on their mobile phone.
