

The Benefits of Working with SavATree

REPUTATION

We are an accredited, fully licensed and insured tree, shrub and lawn care company that has earned a reputation for quality, dependability and professionalism. We are proud to be distinguished as the first company in the U.S. to receive multi-state TCIA accreditation for all of our branch locations.

EXPERTISE

SavATree employs an award winning team of International Society of Arboriculture certified arborists who develop long-term maintenance plans to protect property value and enhance curb appeal. Our clients appreciate our customized solutions and depend on us to provide support when they need it.

PROFESSIONAL CREWS

Our crews are professional in appearance, approach, and manner because we know that our presentation is a reflection on your business. In addition, to ensure safety, we follow operational guidelines and strictly adhere to the safety standards outlined by the American National Standards Institute's Z133 Standard.

- Multi-year contracts and prioritized recommendations
- Professional crews who work unobtrusively
- Scheduling and notification service
- Knowledge of local ordinances and permits
- 24-hour emergency service
- Supplement in-house crews

- Consulting
- Fertilization
- Insect, Mite, Disease Treatments
- Lawn Care

BARNARD COLLEGE • New York, New York
Barnard's beautiful urban campus benefits from Arbor Patrol, SavATree's signature program for comprehensive tree and shrub health care.

"Speaking as Mayor of Briarcliff Manor, SavATree has contributed to help protect Hemlocks in our Law Park, which is really the showplace of our Village. They have also provided advice for the care of our sensitive park trees and care of damaged trees along some of our roads. I wanted to thank SavATree for their efforts and contribution to improving the quality of life in our village."

Keith Austin, Former Mayor
Briarcliff Manor, NY

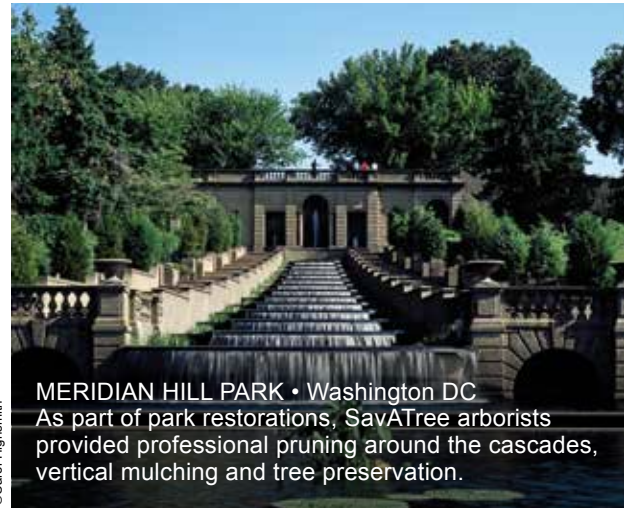

UNION WHARF • Boston, Massachusetts
Trees in this striking waterfront development receive special care from SavATree.

EDINA COUNTRY CLUB • Edina, Minnesota
SavATree's professional pruning and hazardous tree removal created the ability to highlight some extraordinary specimen trees on this golf course. SavATree also helps preserve the American Elm population on site.

"SavATree has been very responsive to our needs and has done great work for UCM. Phil and the crews are extremely efficient and professional."

Doug Daudell, Manager Real Estate Operations
University of Chicago Medicine, Chicago, IL

MERIDIAN HILL PARK • Washington DC
As part of park restorations, SavATree arborists provided professional pruning around the cascades, vertical mulching and tree preservation.
