

## COMMERCIAL MAINTENANCE

SKINNER OVERLOOK is a full service Landscape Maintenance and Snow Removal Company. Owner and President Frank Sullivan began his landscaping career in 1979 in his Pinto hatchback, eventually buying Skinner Lawn Service in 1999.

Frank has built the company based on strong work ethic and an eye to create beautiful outdoor environments.

With over 30 years of experience in the business, Skinner Overlook has been voted "Best of Boston, South Shore", and has ranked consistently among the top 5 landscaping companies south of the city.

LANDSCAPE MANAGEMENT

*Skinner Overlook Landscape & Design will maintain your lawn and give your property a manicured and professional edge that will impress visitors!*

We bring out the beauty in your property with lawn management, tree and shrub care, fertilization, irrigation, and any landscape construction enhancements or snow removal services, all with one phone call.

## ENHANCING LIVES; ONE PROPERTY AT A TIME.

Your property's appearance is extremely important for a visitor's first impression. An impeccably manicured and professional appearance will imply that you are managing a first class facility. Relax while Skinner Overlook brings out the beauty in your business or living community.

Skinner Overlook has more than 30 years of experience in the landscape business to help you achieve your properties' potential. When you choose our company, we promise quality and results that will impress your clients and members. As a professional Commercial Landscape Management Company we employ a well trained staff.

We offer a wide variety of landscape maintenance services to meet all of your needs. Our full time Landscape Designer and Landscape Construction team can provide you with any landscape construction. We also offer a full snow and ice management program. Let Skinner "over look" all of your landscaping needs.

## Call for a personal consultation.

We will meet at your property and discuss your needs and any options to enhance your property, all while making it work for you in your budget. We have everything *in-house* to ensure that you only have to deal with one vendor for all your property needs.
