

Give your residents internet they'll brag about, **hassle-free.**

Starry Internet will give you a simple way to boost your building's amenity offering. It's absolutely cost-free and involves minimal work on your end. It'll help you attract new residents and keep your current ones excited. It's a small effort for a big impact.

.....

What you can expect.

Stand out in your neighborhood.

Residents love having options and flexibility, so offering another choice for internet shows that you always keep them in mind. And that's good for everyone.

Installation is a breeze.

Starry uses your building's existing wiring, meaning we can easily install everything for you. Be involved in the process as much or as little as you'd like.

Personal, 24/7 help and support.

Our Starry Experts are always ready to help with any devices connected to your network. Whether it's a late-night crisis or a mid-afternoon hiccup, we got you.

Free, award-winning touchscreen router.

Each unit gets a Starry Station to control and manage their WiFi networks. It's simple enough for all ages to use and beautiful enough to proudly display.

To get started, we'll simply need to set up a site visit to assess your building and preview next steps.
